## RAMADAAN REPORT 2022

MASJID, BURIAL, SCHOOL, WELFARE, CARE & RELIEF

**Know that there is much good in being patient with what you detest, victory will come with patience, relief will come with affliction, and 'with hardship will come ease'**

“  
The Prophet ﷺ said:  
“Whoever pays the zakat on his wealth  
will have its evil removed from him”  
-(Ibn Khuzaimah and at-Tabarani)

“  
I looked into the spiritual work and  
have not found anything better than  
giving food to people. Had the world  
been in my hands I would not  
entertain anything except feed the  
hungry”  
-Sheikh Abdul Qadir Al Jilani

“  
The best way of evading the fire of hell  
lies in feeding the hungry, providing  
water to the thirsty, removing the  
wants of the needy and befriending  
the miserable”  
-Hazrat Khawaja Moinuddin Chisti

“  
The Prophet ﷺ said:  
“Charity extinguishes sin as water  
extinguishes fire”  
-(Tirmidhi)

“  
Do not feel ashamed if the amount of  
charity you give is small, because to  
refuse the needy is an act of greater  
shame”  
-Hazrat Ali (R.A)

## Collections by Committee

# Collection Drive 2022

The Pretoria Muslim Trust is aiming to collect R12m in donations this year. This fund will allow all sub-committees to restore itself and look towards a prosperous future. The funds will be allocated as follows:

# MASJID COMMITTEE

# Masjid Committee

## Overview

The masjid committee is running 3 mosques, the expenses to carry an organisation of that merit is not a small matter. Without the community there would be no way in which the organisation can run. We therefore urge you to support the masjids day to day affairs. We need to collect between R140 000 to R160 000 per month for running expenses.

## Current Donation Calls:

Lilah Collections: R330 000,00

### Solar Project

The Masjid committee has identified solar as an important driver for the next few years. Not only will this shield us from the tariff increases Eskom keeps imposing but it will allow us to navigate ourselves through load-shedding and unnecessary power cuts

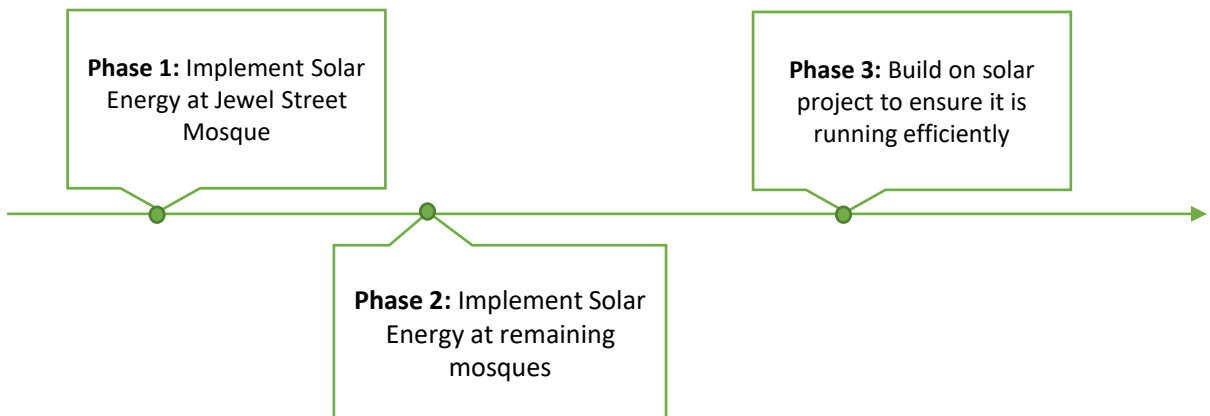

40%  
of expenses

The mosques largest expenses arise from Lights and Water, implementing a solar project will require a larger capital in the early phases but save the organisation on electrical costs in the future. Making it an excellent investment in Sadqah-e-Jaariyah.

## Maintenance and Operations

The school is in need of desperate maintenance and TLC. There has not been much maintenance work done in the previous years. We aim to work on the schools property to bring it back up to a working standard. There are many subprojects within this scope.

Target: As soon as possible

## Phased Maintenance Projects

Your funds can go along way in helping the school from normal day to day operational expenses to construction and maintenance work. We have identified several important projects that need to be completed.

## On-site Handyman

With an additional budget we will be able to hire an onsite handyman to take care of day to day maintenance within the organisation

## Overview

The welfare committee runs the largest welfare operation in the area. The organisation has been running for several decades and thousands of individuals have benefited from your contributions and the effort of the committee. With the help of the community we hope to expand our giving and service to the community.

Zakaat Collections: R5 400 000

500+

Families being helped

Around 2000 people being helped a month

Currently on a monthly basis there is over 500 families collecting vouchers from the welfare committee. Without the welfare committee a lot of people in the community would be in a much worse position

Depending on available budget the welfare committee also runs several other projects such as:

- Ramadaan shoe drive
- Ramadaan Vouchers
- Eid Vouchers
- Chicken Vouchers for Ramadaan
- Food Parcels

**The Prophet ﷺ said: ‘Whoever feeds a person breaking his fast will earn the same reward as him, without anything being lessened from the reward of the fasting person’. (Tirmidhi)**

In recent years due to constraints in budgets the welfare committee was not able to conduct the projects mentioned above. However, if we can collect the R5.6m goal we can provide all of the above to our community.
