“Charity Does Not Decrease Wealth”

“
The Prophet ﷺ said:
“Whoever pays the zakat on his wealth
will have its evil removed from him”
-(Ibn Khuzaimah and at-Tabarani)

“
I looked into the spiritual work and
have not found anything better than
giving food to people. Had the world
been in my hands I would not
entertain anything except feed the
hungry”
-Sheikh Abdul Qadir Al Jilani

“
The best way of evading the fire of hell
lies in feeding the hungry, providing
water to the thirsty, removing the
wants of the needy and befriending
the miserable”
-Hazrat Khawaja Moinuddin Chisti

“
The Prophet ﷺ said:
“Charity extinguishes sin as water
extinguishes fire”
-(Tirmidhi)

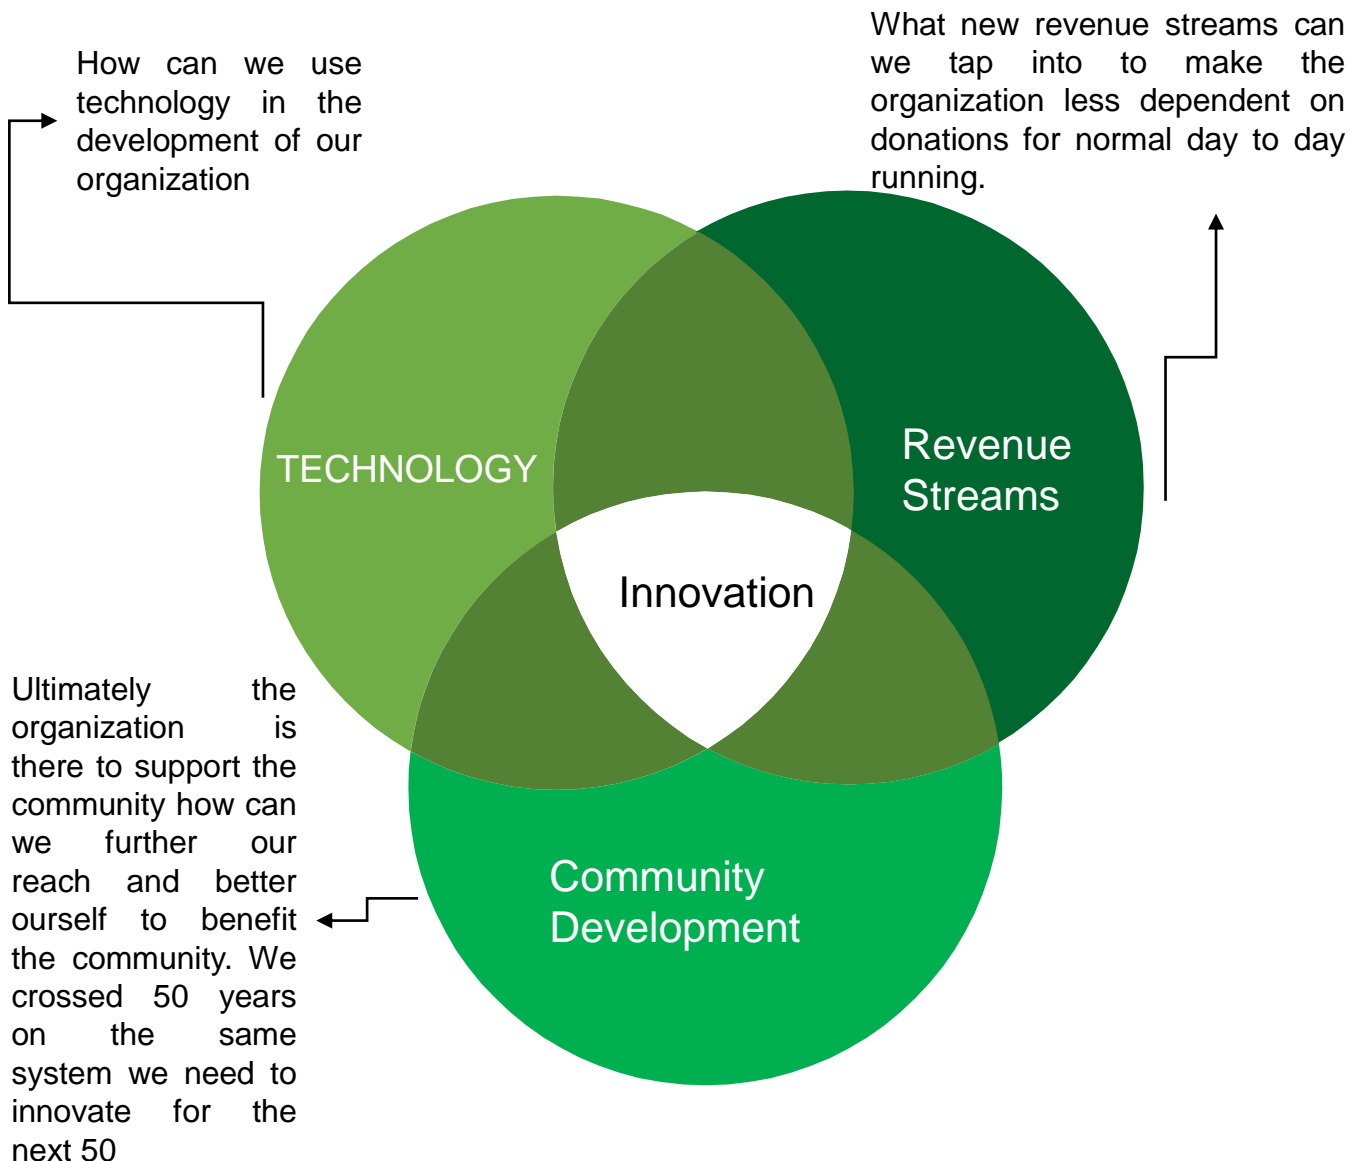

“
Do not feel ashamed if the amount of
charity you give is small, because to
refuse the needy is an act of greater
shame”
-Hazrat Ali (R.A)

Current Outlook of the Organisation

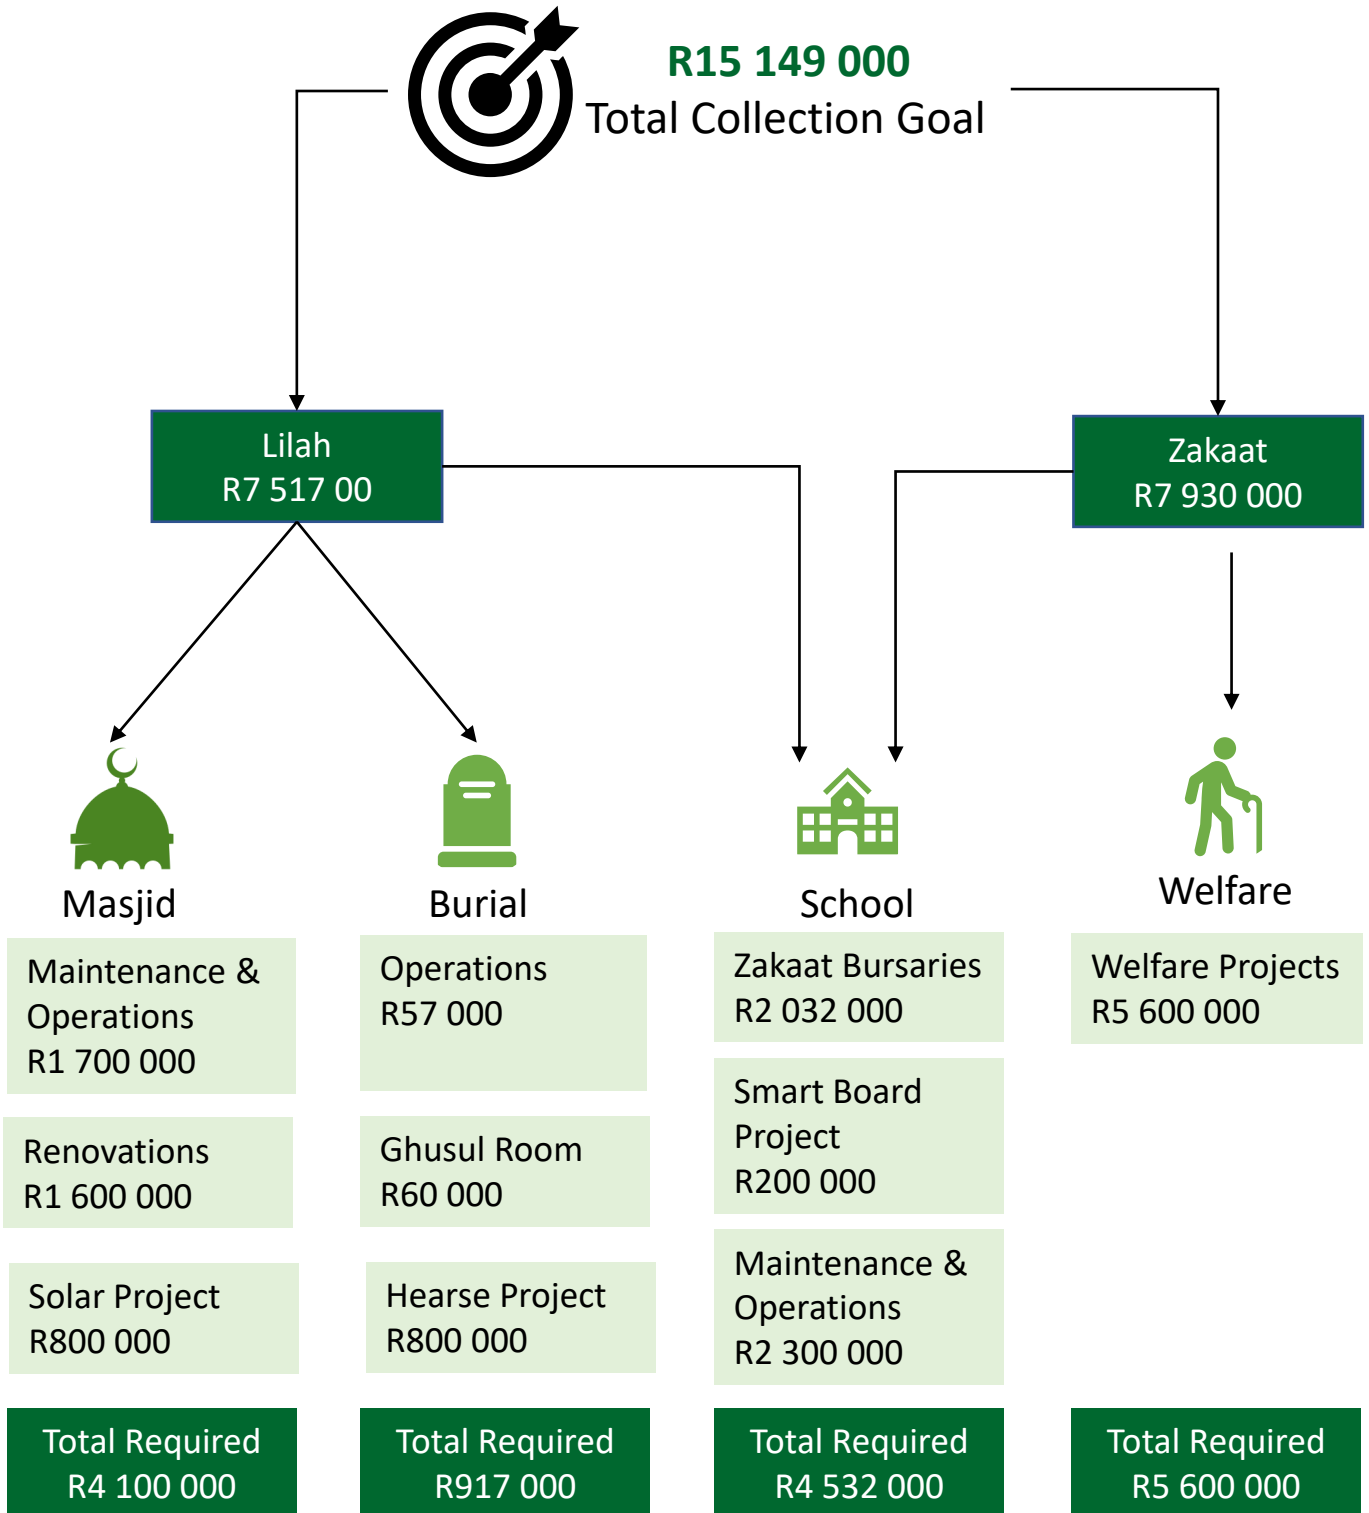

Plan for the Organisation going forward

As part of our strategic plan for the next five years the organisation as a whole has taken an approach to collections where we factored in the information below. We are not looking with a short sighted view to sustain this year and deal with the issues of the next when they present themselves but rather a comprehensive view to try and develop the organisation further. Therefore when planning the budget committees have factored in our three vector principle: Technology, Revenue Streams, Community Development. We need to initiate innovation for the organisation to proceed. If we do not take this approach we are sitting ducks waiting for an inevitable collapse.

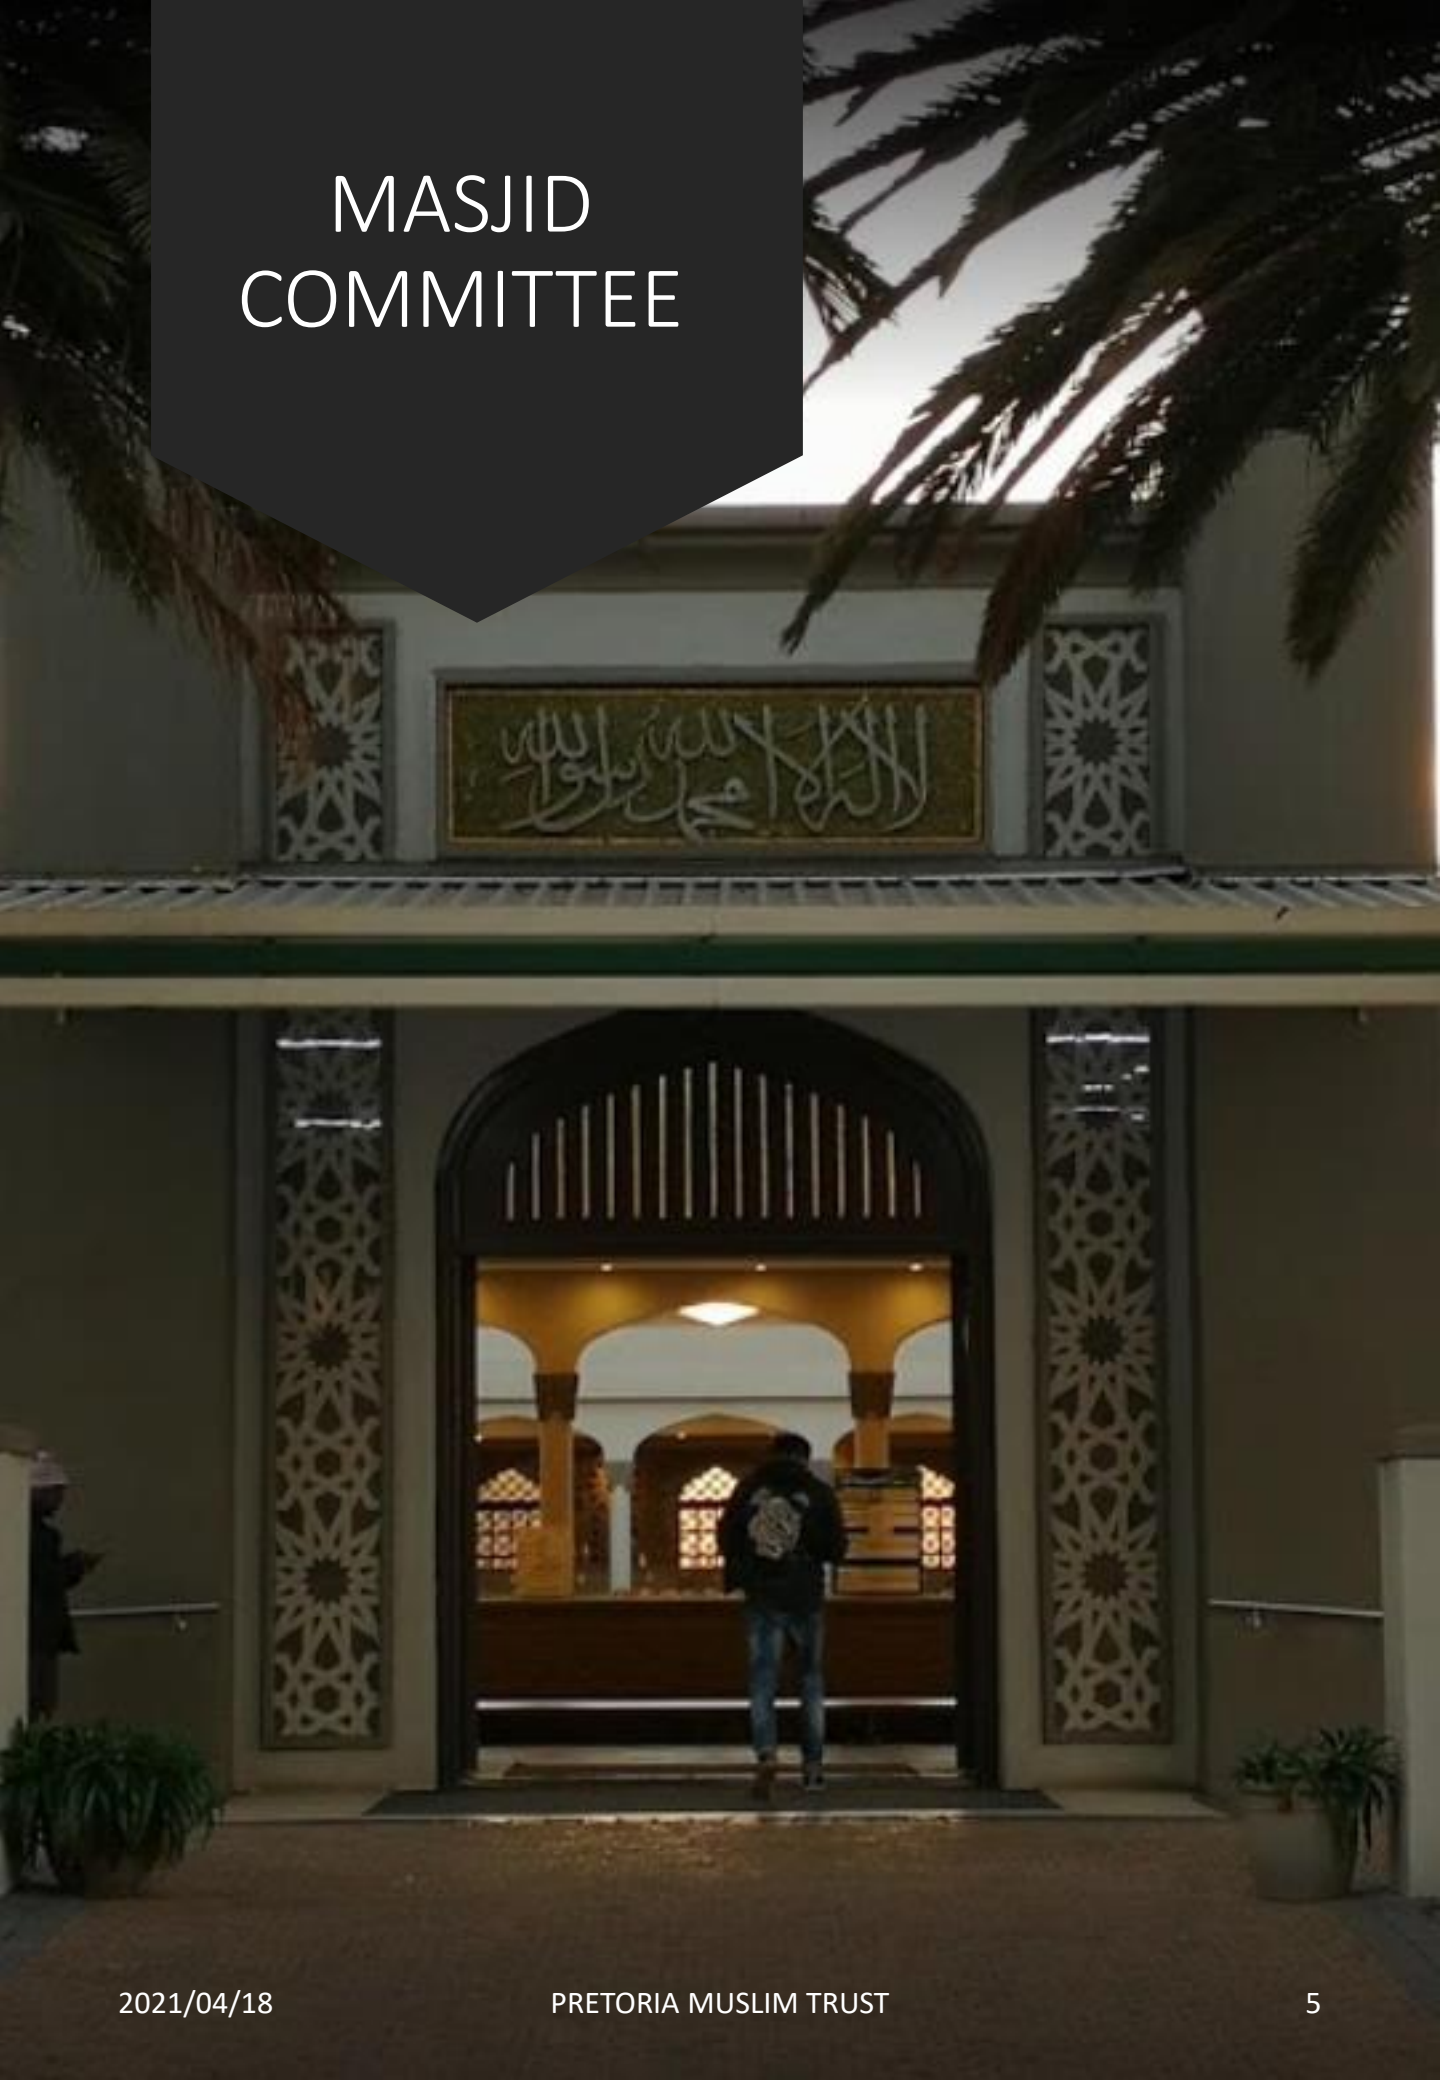

Collection Drive 2021

The Pretoria Muslim Trust is aiming to collect R15.2m in donations this year. This fund will allow all sub-committees to restore itself and look towards a prosperous future. The funds will be allocated as follows:

MASJID COMMITTEE

Masjid Committee (1/3)

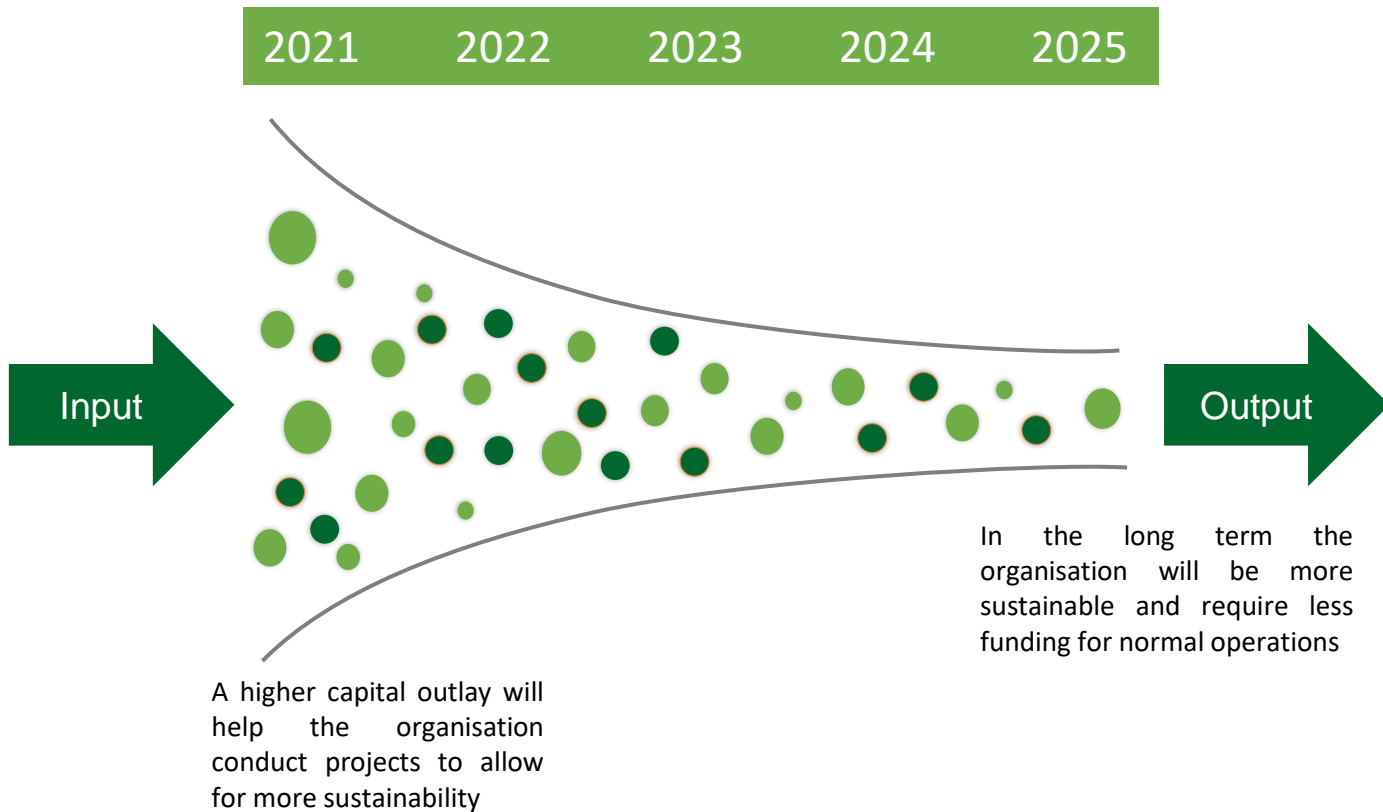

Overview

The Pretoria Muslim Trust Masjid Committee is responsible for the management, operations and care of 3 masjids in Laudium. The “Big Mosque” being the first of which. The mosque has been servicing the community for over **50 years** and people can recall their grandfathers and great grandfathers being musalees in this mosque.

Plan for the Masjid Committee going forward

The PMT mosques are a strong hold for our community and we need to bring them back to the shining beacons of Deen that they once were. In light of this the masjid committee has identified problem areas in addition to running costs that need to be addressed them being: increasing Electrical Tariffs and dire need for maintenance and renovation.

One of the main strategic values for the organisation is a view for the future

In factoring in the overall plan the masjid committee is setting a large target of collections over the short to medium term in efforts to ensure a long term sustainability

Masjid Committee (2/3)

Current Donation Calls:

Lilah Collections: R1 700 000,00

The masjid committee is running 3 mosques, the expenses to carry an organisation of that merit is not a small matter. Without the community there would be no way in which the organisation can run. We therefore urge you to support the masjids day to day affairs. We need to collect R140 000 per month for running expenses.

Uthman ibn Affan reported: Prophet ﷺ, said, **“Whoever builds a mosque for Allah, Allah will build for him a house like it in Paradise.”**

Solar Project

The Masjid committee has identified solar as an important driver for the next few years. Not only will this shield us from the tariff increases Eskom keeps imposing but it will allow us to navigate ourselves through load-shedding and unnecessary power cuts

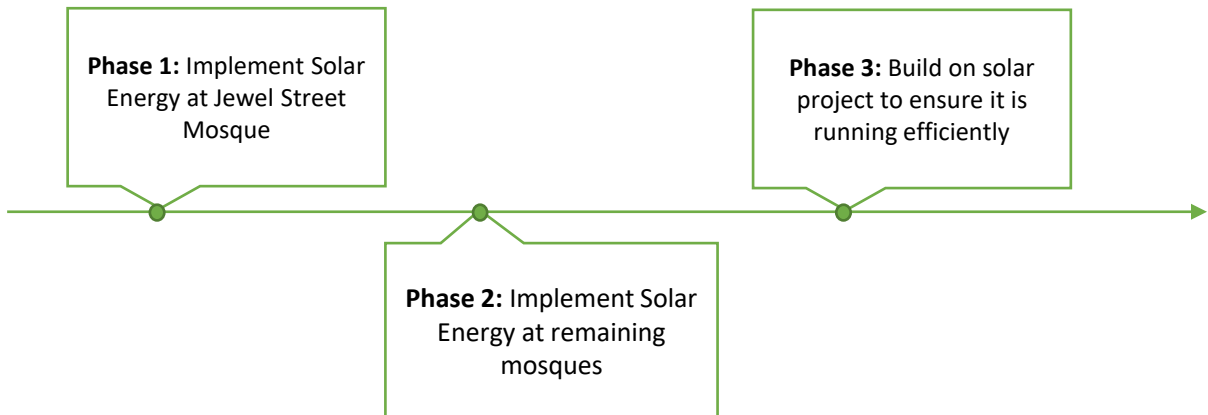

40%
of expenses

The mosques largest expenses arise from Lights and Water, implementing a solar project will require a larger capital in the early phases but save the organisation on electrical costs in the future.

Target: Conduct required maintenance and renovations to last several years to come

Phased Maintenance Projects

Your funds can go along way in helping the school from normal day to day operational expenses to construction and maintenance work. We have identified several important works that need to be completed.

On-site Handyman

With an additional budget we will be able to hire an onsite handyman to take care of day to day maintenance within the organisation

R2 300 000 Target LILAH FUNDS ONLY

With the impact of COVID, the school does not have any excess funds to conduct necessary maintenance and work. We therefore need the help of the community to kickstart the school back into a moving gear.

Please feel free contact any EDCOM committee member for further information or to sponsor a specific maintenance project within the school

- Ramadaan shoe drive

- Chicken Vouchers for Ramadaan
- Food Parcels

The Prophet ﷺ said: ‘Whoever feeds a person breaking his fast will earn the same reward as him, without anything being lessened from the reward of the fasting person’. (Tirmidhi)
